

Same Gender Marriage Forums

Talk things through

Listen to God and others

Join the Moderator at upcoming forums across the Synod in the coming weeks. As a Church we are seeking to hold engaging respectful conversations with one another. Guided by the Holy Spirit we will share our stories and understanding of marriage and same-gender relationships in culturally appropriate ways.

"By having an open and respectful discussion, we can seek to understand the viewpoints of others and perhaps be a little more open to other people's attitudes.

"This forum is your chance to listen to the views of others and have your say respectfully and openly.

"I will be leading prayer and reflection and giving a presentation that seeks to respond to the question "how are we as a church going to be followers of Jesus Christ in the world around us?" I encourage everyone to join the discussion.

"A little understanding might go a long way."
